

Brunello di Montalcino 2013

94

GardiniNotes
THE WINE KILLERS

The aromas do not even demonstrate the minimum hit of ripeness. The dark fruit is mature but without excesses. Completing the bouquet of aromas is a somewhat piquant spicing that recalls cloves. Fruity entrance in the mouth, on notes of blackberry and cherry. From mid-sip on some refreshing notes of anise. Black peppercorn on the finish. Powdery tannins. Feb. 2018
